**Congratulations to Rec Axel  
Scheffler class who had 99.7%  
attendance this week!**

## Attendance

**Every day matters – Every  
minute counts!**

Stebon's magic number is  
**97**%. This is because we are  
aiming for 97% attendance.

**This week's whole school  
attendance was 96%**

Come on Stebon!

Dear mums, dads and carers

It's great to see so many of you ready and waiting for the playground gates to open at 8:55am every morning. This means that the vast majority of children are in their classrooms working by 9am.

If your child is one of these children, the good news is that they are getting the full benefit of the class's 'early work' - work that's planned by teachers to consolidate key skills and recent learning. It's also a key part of the day for the teacher to greet and catch up with children; it is important bonding time and sets the tone for the day ahead.

Of course, this also means that, if your child arrives after the majority of the class, they are missing out on these key learning and social opportunities.

Please try and ensure your child gets to school in good time; arriving in class by 9am ensures your child benefits from every advantage the day has to offer.

Thank you & kind regards

Jeremy Iver

Headteacher

## **Photo Day**

Pupils will take their **individual portrait photos** at school next week on **Friday 10th October 2025**.

Please make sure your children are in school and wearing the correct school uniform: <https://stebon.org.uk/uniforms>

We will have a separate day for sibling photos on Friday 17th October 2025. On this day, we will also catch up on individual photos for absent children.

We will let you know when QR cards and information on how to order are ready.

If you have any questions, please contact us on [admin@stebon.org.uk](mailto:admin@stebon.org.uk)

**Sign up & payments are on [Parent Pay](#) now!**

We've had lots of interest and sign ups for our clubs and there are still some spaces left!

At Stebon Primary School, we are committed to ensuring that all children have a safe, enjoyable, and positive experience when attending any before or after school club.

To help us achieve this, we expect all children to follow our Club Code of Conduct at all times during club activities.

This code of conduct is designed to promote kindness, respect, and cooperation, allowing every child to make the most of their club experience.

### Club Code of Conduct

All children attending our clubs are expected to:

- Follow instructions given by adults
- Stay in the areas designated for their club
- Use kind and appropriate language towards peers and adults
- Use kind and appropriate physical contact and gestures at all times

We believe that following these simple rules will help create a fun, respectful, and positive environment for everyone.

Stebon were thrilled to be the hosts for this year's first para sports event in Tower Hamlets!

Children from different schools visited to compete in some New Age Curling events.

Our children were great hosts and we can't wait to visit some other schools for other events throughout this year!

Over the last few weeks Year 1 Margot Fonteyn class have been learning about what makes a King and Queen.

We've learnt about the coronation and had a lot of fun learning about the ceremony!

Ask us what a crown, orb, sceptre and throne mean.
