Congratulations to Y6 Alfred Russell Wallace class had the highest attendance of 98.9% this week!

Attendance

Every day matters – Every minute counts!

Stebon's magic number is **97%**. This is because we are aiming for 97% attendance.

This week's whole school attendance was 92.7%

Come on Stebon!

School will be closed from Monday 16 - Friday 20 February 2026 for half term. We will be open again from Tuesday 24 February 2026. We hope you have a lovely break!

Year 3 and Year 2 were fantastic in their performances of 'Robin Hood' this week! Well done everyone and thank you to families who have been supporting them in rehearsing at home and coming to watch the shows.

Y3 Ella Fitzgerald & Y2 Marie Curie

Y3 Beethoven & Y2 Albert Einstein

Y3 Beethoven & Y2 Albert Einstein

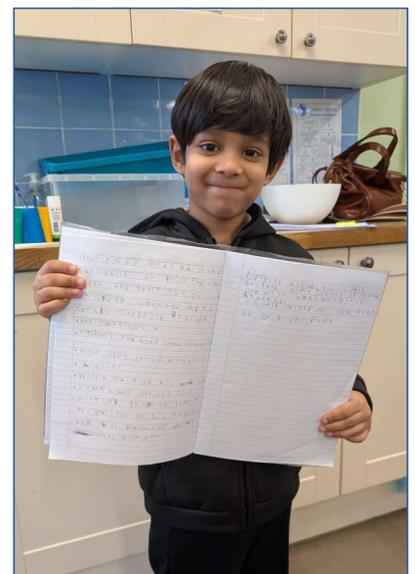

Y3 Ravi Shankar & Y2 Brian Cox

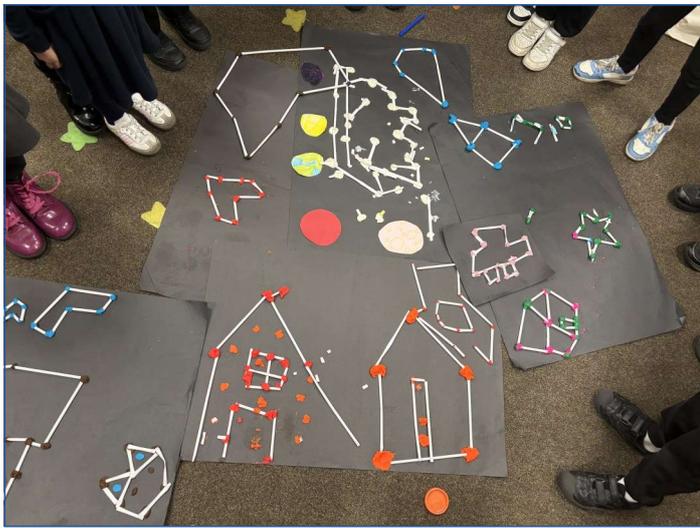

Some of our Year 5 & 6 children went to a basketball competition this week, both teams, Stebon A & B, made it to the final 8! Well done, Zayd, Zaki, Rayaan, Alesha, Cohen, Zara, Ayaan, Khadija, Sumaiya & Parya!

Abdullah in Year 3 has worked so hard on his writing this half term, culminating in a story about Johnny saving someone from an evil scientist! We're all so excited to see how this story is going to end. Well done, Abdullah!

Last Friday, Olympus explorers continued their learning about stars. They worked really well in small teams to come up with their own constellation design using straw and playdough. They then combined their work together to make a night sky - we think the final outcome looks fantastic! Well done, Olympus Explorers!

Aspen Explorers have really been enjoying learning about stars and space. We have learnt all about constellations and we made our own using straws and playdough. Check them out!

Year 5 visited the Science Museum where they watched the IMAX movie: A Beautiful Planet!

It is with a heavy heart—but a very full stomach—that we announce our Dads' Cooking Sessions have officially come to an end. Over the last 6 weeks, we've witnessed pure joy, incredible teamwork, and a whole lot of brave taste-testing! I am so incredibly proud of our Stebon Dads and their children. You showed up, stayed focused, and tackled new flavours and ingredients like absolute pros.

To all the dads who participated: please display your certificates with pride! I hope every time you look at them, you remember this special time spent creating delicious memories with your children.

Coffee Morning is BACK! ☕

Missing the community vibes? Don't worry! Coffee Morning is officially back open to ALL dads. We will be open during Ramadan, so please pop in. These mornings are the perfect way to build real connections and friendships with your fellow parents.

We need you to show up in numbers! High attendance helps us invite more services to the school and, fingers crossed will help us get those cooking sessions started again very soon. Let's keep the momentum going and create even more memories together. See you there!

As the last of our Christmas decorations were tucked away in December, a new sense of anticipation began to grow at our school as we turned our focus toward preparing for our next major celebration. Ramadan is a holy month of reflection, prayer, and community, followed by the joyous festival of Eid al-Fitr, and we have already begun making decorations to fill our halls with happiness and light in anticipation of the month ahead.

Last week, the wonderful mothers at our coffee morning joined in the spirit by crafting beautiful moons and stars to hang throughout our rooms and hall and this week they made delicious coconut treats.

We wish a Happy Ramadan to all our families; may your month be blessed with joy, and may you find deep spiritual fulfilment during this special time.

Exclusive to schools supported by Place2Be

Parenting Smart – Online Course

Parents and Carers of 4-11 year olds can access our free online course providing you with **extra tools to deal with everyday parenting challenges.**

The course aims to help you **strengthen your relationship with your child** and **respond helpfully to challenging behaviour.** You can also join discussions with other parents and carers in your group from across the UK.

Designed to fit around busy family lives, the 4-week course can be **broken down into short 15-minute sections** and you can access it from your mobile phone, tablet or any other device.

All of the content is based on the latest evidence and experience from Place2Be's Parenting Team, in partnership with South London and Maudsley-NHS Foundation Trust.

- ✓ Free
- ✓ No fixed times
- ✓ Accessible from any device
- ✓ Hear from other parents around the UK
- ✓ Place2Be professional on hand to support learning
