Congratulations to Y6 David Attenborough class who had 100% attendance this week!

Attendance

Every day matters – Every minute counts!

Stebon's magic number is **97**

This is because we are aiming for 97% attendance.

This week's whole school attendance was 94.9%

Come on Stebon!

Congratulations Year 6!

You've officially completed your SATs — what an amazing achievement! This week marks the culmination of eight years of hard work, learning, and growth.

It was a fantastic week and year 6 handled each day with maturity and a positive attitude that was a joy to witness.

Their dedication, hard work, and resilience over the past few months have been brilliant to see.

We are all so proud of the effort, resilience, and determination you've shown. Take a moment to celebrate — you've earned it!

We are excited to share that Roksana, our incoming Headteacher, will be visiting the school next Tuesday 19 May.

She is very much looking forward to meeting the school community, so please do come and say hello on the gates during drop-off or pick-up!

More details will be shared about Sports days next week, stay tuned!

Please complete our [Parent voice survey!](#)

Last week, Year 1 went on a lovely London landmarks trip. First, we took the bus to Canary Wharf Pier. Then, we got on the Uber Boat to Westminster Pier. Along the way, we saw many famous landmarks, including The Shard, The Gherkin, the Tower of London, and Tower Bridge. After that, we walked along Westminster Bridge and had lunch in the park with a beautiful view of the London Eye. We then continued our walk along the South Bank, spotting even more landmarks as we went. We passed the Tate Modern and finally stopped at St Paul's Cathedral before taking the Underground train back to Stebon. What a fun and exciting day we had!

Reception had their first hall graduation practice with Jen!

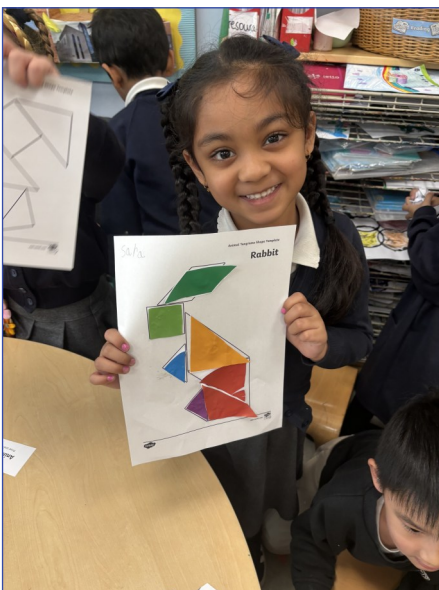

Beatrix Potter Class

Axel Scheffler Class

Reception have also been learning about tangrams and shapes.
